

Professional Summary

Samara is a dedicated Paediatric Nurse with almost a decade of post qualification experience. She began her career at the Royal National Orthopaedics Hospital NHS trust, working as a Staff Nurse within Paediatric and Adolescent Wards. Within this role, she held responsibility for caring for acutely ill children, spinal injury and complex orthopaedic rehabilitation, pain management, safeguarding, providing post operative care and caring for children with complex needs including cerebral palsy, global developmental delay and genetic and chromosomal conditions.

From 2016 to 2020, Samara worked within University College London Hospitals NHS Trust, progressing to a senior role within the Paediatric Emergency Department in 2018. In addition to her previous duties, Samara gained extensive experience in resuscitation, wound & burn care, triage, management of Child & Adolescent Mental Health Services (CAMHS) patients and clinical leadership.

As a Case Manager for Harrison Associates, Samara leverages her wealth of clinical expertise to drive optimal client outcomes via conducting thorough assessments, identifying short and long-term requirements and leading the development and delivery of aligned care plans. She maintains her continuing professional development through a variety of training and education activities.
